Other Fees

Additional Language

English as an Additional Language (EAL) 28,000 THB per term

English language support is provided for students from Children's House (3-6 Years Old) onwards, to those students whose English levels are below the school's minimum requirement to successfully access the curriculum. If the school considers that your child requires English language support, inclusion in the EAL language programme is not optional. Fees will be billed termly and in advance with tuition fees and are subject to the same conditions as the tuition fees.

Students will be assessed at regular intervals to determine if they are eligible to exit the English language support programme. Please note that acquisition of the academic language required to access the curriculum successfully takes longer to acquire than everyday social language.

Visas

The initial visa service charge is 5,000 THB per person, the extension of the visa service charge is 1,000 THB per person (assistance with documents only). All foreign families who need an education visa for their children are advised to get the most up to date information from the nearest Thai consulate.

Extra-Curricular Activities (After School Clubs)

After School Clubs are optional and run from Monday to Friday. Most clubs are scheduled for 15:30-16:30. The fees vary depending on the type of activity and materials required. More information about each club and its availability will be shared with parents by email from eca@chiangmaimontessori.org.

Learning Support

Learning Support for a student (where necessary) will be charged depending on the level of support required and agreed upon after the school's assessment of the student.

Notes and Conditions

Payment Schedule

The tuition fees are payable on a termly basis and are invoiced in advance of each new term. Unless otherwise agreed, payment should be made by the due date stated on the invoice and laid out in the 'Payment Schedule' below. To ensure the admission of students, the final payment deadline is the first day of the term.

Payment Schedule	Term 1 Instalment	Term 2 Instalment
Invoice issued	February 26, 2025	October 15, 2025
Invoice payment due	May 30, 2025	November 28, 2025

Waiting list Fee

A NON-REFUNDABLE deposit of 3,000 THB is required for an applicant to be placed on a waiting list or to secure a seat in the next academic term/year.

Please note that this deposit is non-refundable and non-transferable should parents withdraw the application later, but it will be refunded if the school is unable to offer a place for students.

Student applications on the waiting list are organised in order of when their full application was made. Once a place becomes available, the school will contact waiting list parents to ask them to confirm within 15 working days their intention of enrolment to secure a place, followed by full tuition fee payment before the start of term or as otherwise stated by the school.

Notice of Withdrawal

Parents are required to give 60 days written notice, using the school's official Notice of Withdrawal Form, for any student leaving the school. This form must be completed in full and signed by the parent and it can be obtained from the Registrar.

Please Note:

- a verbal and/or email statement of an intention of withdrawal of a student is insufficient,
- the deposit will not be refunded if less than 60 days notice is provided,
- parents whose child is graduating from Upper Elementary are exempt from this requirement.

Refund Policy

The school does not make refunds for short, unplanned closures that may be required by authorities during the academic year.

On or after the first day of the term:

- If one year's tuition fees have been paid in advance and the student is withdrawn at any time during Term 1, Term 2 tuition fees only will be refunded. In this case, the fee in term one will be charged in full amount.
- If one year's tuition fees have been paid in advance and the student is withdrawn at any time during Term 2, then Term 2 fees will not be refunded.
- If only a term's tuition fees have been paid in advance and the student is withdrawn at any time during that term, then there will be no refund of that term's tuition fees.
- If a student is dismissed from the school because of behavioural issues by either the student or the parents, tuition fees will not be refunded.
- If a student is withdrawn from school because of long term illness or disability (15+days) the school will consider requests for refunds. The request, in writing to the Head of School, should be supported by the original medical certificate from a certified hospital stating the symptoms and medical treatment provided.

Please Note: any refund of the tuition fees is at the discretion of school management and is subject to the provision of acceptable evidence in support of the application for a refund.

Force Majeure

In the event of a major natural disaster, tragedy, or any other adverse circumstances which the school was unable to reasonably predict or control, the school will not refund any fees. Lost days will be rescheduled only if it is thought necessary to do so by the Director to ensure the school's educational aims are met.

Please Note

In accordance with Thailand's Ministry of Education regulations, families that wish to drop out or temporarily withdraw their child(ren) during the school days must pay the full semester fees.
